East Carolina Council Boy Scouts of America

2013 Summer Camp Staff Application

Dear Applicant:

Thank you for considering applying to work on the Summer Camp Staff of the East Carolina Council, Boy Scouts of America. A summer spent on the staff at Camp Boddie is one of the most memorable experiences of a lifetime. Every successful summer camp year has owed its success to its camp staff. You could be part of the success this year, and join a great tradition.

As you are applying to be a Staff Member, know that you are requesting a position on a winning team. As the summer progresses, you will be expected to share your ideas and suggestions to help make the camp experience come to life for the youth, adults, troops, crews and packs we serve.

From the moment you arrive until we close down at the end of the season, you will be encouraged to take advantage of the programs and facilities of the East Carolina Scout Reservation, the trails, the trees, and even the hot days. There are swimming areas to cool-off, exciting places to explore, natural surroundings to appreciate and get to know better, and the good food and fellowship of working with a staff of outstanding people.

Serving on the staff of the East Carolina Scout Reservation is also a huge challenge. Over 1,200 young people and their leaders will pass through the camp gates expecting a great adventure. The camp staff is there to make their adventure the best that it can be. This can mean long hours, irksome tasks, and weighty responsibilities, but if kept in perspective, it will be fun.

Before you complete and submit this application, ponder for a few moments about why you want to be on the Camp Staff. Do you have valuable skills to offer? Are you mature enough and dedicated enough to offer cheerful service when deep inside you'd rather be in bed? Are you ready to accept responsibility for your own actions – good and bad? Are experience, fellowship, and serving others more important to you than salary? Are you ready for a highly challenging summer? Think about it! If you are ready to be a member of the camp staff, please submit this application as soon as possible.

Camp Staff Interviews are held in the winter and spring months. Some adult positions will be filled starting in October. Send your application to:
