Skits

We would like for each Pack to come up with approximately five minutes of jokes and run-ons. You will have time from 4pm-5pm to work on your pack presentation. Please remember to keep them short, loud, and in line with the spirit of Scouting.

Crossover

If your Pack would like to participate in the District Cub Scout Crossover during the campfire please contact Victoria Brown as soon as possible with the following:

- Scout's name that will be crossing over
- Cub Leader presenting Scout at crossover
- Troop Leader receiving Scout at crossover

Session Locations

- Activity Field – Whiffle Ball (Pack 200) & Jesters' Challenge (Pack 39)
- Eco Lodge – Hiking & Nature (Camp Staff & Pack 1774)
- Shooting Sports Range – Archery (Pack 25)
- Juggling - Reception Center (Pack 9)

Shelter Theme Challenge

We are going to offer a different competition this year, which will be a lot of fun for the Scouts and go along with the theme. At each campsite there is a shelter. Each Pack is to decorate one side of the shelter, which will be judged on best of show Saturday between 6pm-7pm. Use the Fool-O-Ree theme as your guide. You might transform it into the Kings court with a court jester, a market place, a carnival, or perhaps even a more contemporary aspect of these. Have fun with it and be creative. This could complete some of the requirements in the Scouts handbooks as well.

If you have any questions or comments please feel free to contact me, Victoria Brown via email at ncfom@aol.com. Please remember to be Helpful, Friendly, Courteous and Kind with your feedback. Above all else - enjoy the 2016 Spring Cuboree!

Community Responsibilities

These are tasks that must be shared among all Packs in attendance. Each Pack should send representatives for each of these events assigned to them.

Gate Duty

Send at least 2 persons for this shift. Each shift is set so that the next group arrives prior to the other leaving.

Rules and Regulations

All Scouters are expected to follow the guidelines set forth in the Guide to Safe Scouting.

1. After unloading, all vehicles should be moved to the designated parking area. This will help ensure the safety of all campers and reduce the chance of damage to a vehicle. Unit trailers will be allowed to remain in the campsite as long as they are detached from a vehicle and safely secured in-place.
2. No firearms or fireworks are allowed in camp.
3. Dress code during the day is Class "B" (T shirt and shorts). All scouts are encouraged to wear Class "A" uniforms to Saturday Night Campfire and Sunday Morning Worship Service.
4. Ground fires are allowed in camp but only in designated areas. An alternative is the use of a portable raised patio fire pit. Firefighting equipment consisting of one (1) water bucket, one (1) sand bucket and a dedicated shovel should be maintained at each campsite. All Scouters are encouraged to utilize "Leave No Trace" principles.
5. Low noise level practices are to be followed each evening after 10pm.
6. **All garbage removal is the responsibility of each unit.** We are getting an extra dumpster to be placed near the existing dining hall dumpster this year in an effort to leave camp with ZERO trash left in campsites. Please have departing adults do the responsible thing and place trash INSIDE the dumpsters. Trash left outside will not be picked up by the trash company.
7. Each unit is responsible for bringing their own food and potable water.
8. Waste water should not be disposed of within 50 ft of a tent.
9. The registered Unit Leader is responsible for their unit at all times. There must be two-deep leadership at all times. Each Cub Scout should be accompanied by a related adult at all times, or travel with two-deep leadership. Only family may sleep in the same tent with a youth member in accordance with the Guide to Safe Scouting.
10. Units and parents will be responsible for any medications for Scouts. Each unit should be equipped with an adequate first aid kit and must have current Annual Health and Medical forms with them for every participant, including adults.
11. Adult leaders must support the attitude that we are better off without tobacco. Use of any tobacco products within eyesight of youth is prohibited.
12. No fires, grills, fueled lanterns, or open flames are allowed in tents.
13. Closed toe shoes must be worn during all activity periods. This applies to adults and Scouts.
14. No alcoholic beverages are permitted at the event.
15. The buddy system is to be used at all times. No one should leave camp without the permission of his or her unit leader.
16. Prior to check out, all units should clear all equipment, trash, fire pits, and replace sod (if needed) in their campsites.
17. Any attendee violating these Rules and Regulations or acting in a manner inconsistent with the Policies and Principles of the Boy Scouts of America is subject to dismissal from the event with no additional notice and no refund of any fees.

Arrival Procedures

Check-in is from 4:00pm-8:00pm. If arriving after 8pm Friday evening, you can check in at 9pm at the Eco Lodge. If after about 9:30pm Friday, go ahead and set up and see us at 8:30am Saturday at late check-in. Each Campsite will be granted 2-3 Gate Passes. Campers should drop gear and return vehicle to parking area quickly so the next person can get a pass. Pack may also combine gear into a truck or trailer to get the gear back to the site quicker. Vehicles are allowed to bring trailers and cookers to the sites but the vehicle counts as a vehicle and vehicles are not to be left at the sites.

Departure Procedures

8:15am - 11:00am Campsite Check-Out

After Reveille, the gate will be opened and vehicles will be allowed in camp. Please be respectful and remain on the roads and do not drive deep into campsites. Please DO NOT DRIVE on the grass. For those who wish to participate in a Scout Sunday Service, one will be held at the flagpoles by the Dining Hall directly after reveille.

Webelos AOL Special Program

2017 Spring Cub camp Webelos AOL Den Program

Parents and Leaders,

This year we are offering a separate program for Webelos Arrow of Light Den scouts.

On Friday night the AOL Scouts will meet at 8:00 at the Dining Hall to practice for the next morning's Flag Service. Their program will continue after lunch on Saturday at 2:15 and end at 5:00. Please send a parent or two who are willing to work with the boys. Events are all either Webelos events or entry level Boy Scout events. Boys need to know the scout oath and law. They will also need to know how to tie a square knot. During this time we will also practice cross over and perform a flag retirement. The boys will have the rest of the day to be with their parents or the pack. We also need to know the boys names, what pack he is in and what Troop he is joining. **The boys need to have their class "A" uniform for Crossover.**

Also if your Troop is sending a representative for Crossover Please have them check in at 7:50pm at the top of the campfire circle.

Please send this information to Victoria Brown – ncfom@aol.com.
