All packs are expected to maintain a fire safe campsite at all times. A water bucket is to be placed by each tent and campfire. NO fire is to be left unattended (without an adult watching the fire). Do not dig holes for fires. Flame sources (Coleman lamps, heaters, candles, etc.) are prohibited in tents. Chemical, liquid, gaseous, or jellied fuels may only be used by ADULTS and must be secured, when not in use, well away flame sources. All fires must be put out when left. Pocketknives found outside the campsites will be held by the Camp Staff and returned to the Pack at Check Out. All other cutting tools (hatchets, axes, saws, etc.) are to be used by ADULTS and secured, when not in use, under lock and key. Sheath knives are prohibited.
