Training Chairman, at turbo4000@suddenlink.net or 252-
382-0590

TO: Scoutmasters, Coaches, Boy Scout Leaders, and Unit Committee Members

Pitt and Wilson District Training Committees invite you to participate in Introduction to Outdoor Leader Skills, a fun-filled program of hands-on skills training in the outdoors, designed to help you master basic camp skills required for Tenderfoot to First Class. This course will be at Camp Charles in tandem with the District Camporee. Hawley Center will be the main training area, with the surrounding grounds used for campground set up.

Instructors will help you learn how to set up camp, cook, and work with woods tools, and about ropes, planning campfire programs, map reading and compass skills, hiking and packing techniques, nature identification, and outdoor ethics. Each outdoor session will bring to life the pages of the Boy Scout Handbook to help you deliver the promise of Scouting to yourself and the youth you serve. It will increase your comfort level and give you confidence as a trained, skilled leader. The program will also give you the opportunity to work with other Scout leaders from your area, meet new friends, and reinforce skill techniques with fellow unit leaders.

You might want to check with other leaders from your area, encourage their attendance, and carpool or trade days on transporting. You need to have completed Youth Protection Training and Weather Hazards Training (either instructor-led or via MyScouting).

The attached What to Bring checklist covers the equipment you will need to bring to camp. If you do not personally own any of the items listed, you may want to contact other troop leaders or friends to borrow them for the course. While we want you to be comfortable, we want to ensure you make the most of this training without shouldering too many expenses. In addition, please let us know if you have any physical limitations or special dietary or medical needs so we can be prepared before the course begins. The staff looks forward to working with you and seeing you there!

We look forward to hearing from and working with you in this unique and exciting program.

WHAT TO BRING

REFERENCE: Boy Scout Handbook, chapter 9, Camping Overnight gear, outdoor essentials, and appropriate clothing are the heart of camping equipment. Carry a light load of only what you need to keep yourself safe and make a good camp; leave all unnecessary items at home.
