## **Great Christmas Gift For Your Favorite Scout or Scouter!**

East Carolina Council has ordered a numbered version one through 500 of the council strip featuring all the council camps. The council strip will be the large Jamboree size council strip. To preserve the collectability of the council strip there will be changes made in this council strip that will even make it a greater and more collectable patch. The border will be red but with gold Mylar. The background will be beige instead of white. Again, patches will be individually numbered.

These will make a great collection piece for you, a gift for your Scout, a Scouting friend or thank you to that Scouting leader for their service. It should be in the office by the second week of December, just in time for Christmas giving. The pricing for the council is below. Orders will be filled in the order received. Add \$1.00 for shipping.
