What is NYLT? The National Youth Leadership Training Course is a one week outdoor experience for youth leaders. This course supports the Unit Leader's responsibility for training the Unit's youth leaders. The course is conducted by a youth staff mentored by East Carolina Council's Training Committee using a syllabus published by the Boy Scouts of America. Scouting recognizes that Unit Leaders have the responsibility of training their own youth leaders. The purpose of the National Youth Leadership Training Course is not to assume the Unit Leader's role, but to support it. The Scout or Venturer will be exposed to skills they need to develop their leadership potential. The skills taught will immensely facilitate the Unit Leader's leadership development of the youth and directly benefit the Unit's program.
