PURPOSE OF WOOD BADGE

The primary purpose of the Wood Badge experience is simple—to strengthen Scouting in our units, districts, and council. Every Scout deserves a well trained leader. It provides dedicated Scouters with the concepts, tools, and methods needed to be effective leaders. Wood Badge creates a structured opportunity to develop and apply critical leadership skills. Attending Wood Badge will make your Scouting job easier. Attendees gain an in-depth understanding of the skills of leadership. These skills will help you become a more effective leader in Scouting, your career, your family, and your community.

OUTCOMES

As the six day practical portion of the program draws to a close you will set some personal goals (a.k.a. ticket items) to practice your new knowledge and skills. You will have 18 months to complete your tickets. By practicing your new knowledge and skills, you will become a more effective leader. In addition to your own personal growth, the Scouts you serve will benefit from your commitment to leadership.

REQUIREMENTS TO ATTEND WOOD BADGE

- Registered members of the Boys Scouts of America. Youth 18 and older may attend as long as the appropriate Youth Protection Guidelines are followed.
- Have completed basic training courses for your registered position in Scouting.
- Be capable of functioning safely in an outdoor environment. All participants are required to complete the Annual Health and Medical Record form.

What you can expect:

As a result of attending Wood Badge you will:

- Acquire a global view of Scouting as a family of interrelated, values based programs providing age appropriate activities for youth.
- Become familiar with contemporary team leadership concepts
- Experience the stages of team development and practice leadership approaches appropriate for those stages.
- Have a great deal of fun in the company of interesting like minded individuals.
- Develop a renewed commitment to provide Scouting with the best possible leadership.

Wood Badge accomplishes these goals by building all the pieces of the course on a foundation of five central themes. Those themes, and the presentations that directly support them, are as follows:

- **Living the Values.** *Values, Mission, and Vision.*
- **Bringing the Vision to Life.** *Listening to Learn; Communication; Leveraging Diversity Through Inclusiveness, Generations in Scouting, Coaching and Mentoring*
- **Models for Success.** *Stages of Team Development; The Leading Edge™/The Teaching Edge™*
